CITY DIRECTORIES OF THE UNITED STATES

City directories can provide a wealth of historical and personal information about U.S. cities: lists of residents, their occupations and addresses; and civic information such as the names and addresses of churches, schools, businesses, local government officials, etc. The John F. Germany Public Library owns **microfiche** copies of city directories for the following selected U.S. cities. Date ranges for some cities are approximate, as gaps exist between some years.
